

Remote Learning at DMSC – 2021

Parent Information

During this period when students will be learning from home, the following guidelines will assist parents to support their child with remote learning:

- **Online learning** will be delivered via Edmodo and classes will use Webex at times nominated by their teachers. Junior classes will be short, however senior classes may be longer. Please refer to the Online Learning Summary and Video Conferencing Expected Behaviours documents located on the DMSC website.
- **Timetable:**
Students will follow their normal timetable. This can be found on each student's Form Page on Edmodo, together with Bell Times, which will assist students and parents with the timing of lessons.
- **Communication between staff and students** will be strictly curriculum focused and in line with Child Safe Standards and the DMSC online learning expected behaviours. Teachers will be available during their timetabled classes to assist students and between the hours of 8.30am and 5pm on weekdays.
- **Communication between parents and teachers** will be made using Edmodo and text messages using XUNO. Parents can also ring the school on 5389 1460 if they have any concerns or questions.
- **Supervision** - Parents/carers will ensure that their child/ren continue to complete their work in a timely manner. If you are an essential worker or have extenuating circumstances and need your child to attend on site, please contact the school to arrange this. Students should wear school uniform and bring their own food and drink when they attend on site.
